Re: House Bill #5596

Dear Chairman Shanley,

As Chairman of the House Committee on State Government & Elections, the RI Association of Fire Chiefs would like you, and the members of your committee, to know that the RI Association of Fire Chiefs are in full support of H-5596, an act relating to a statewide public safety computer aided dispatch records management system. We look forward to this bill passing and will be glad to designate a member of the RIAFC to serve on the board of directors that this bill creates.

As always, I am available to answer any questions you may have or to meet with you or your staff at any time. I can be reached on my cell phone at 401-692-0795 or by email at rifirechiefs@gmail.com.

Thank you for your consideration & continued support of the RI fire service.

Sincerely,

A handwritten signature in cursive script that reads "Richard A. Susi".
