My name is Evan Raczynski, I live in Ward 13 of Providence, and I'm testifying in support of the House Bill 5750 which will ban prison contracts with Immigrations and Customs Enforcement in the state of Rhode Island.

In 2021, it is abundantly clear that ICE is a cruel organization. They are America's gestapo and they're responsible for crimes against humanity. There is no moral or ethical purpose to allowing them to operate in Rhode Island.

Deportation is a brutal act, and it helps no one. It is a waste of resources and it ruins lives and tears families apart. Let Rhode Island be on the right side of history, end all contracts with ICE immediately.

Thank you for your time.
