

TO: CHAIRMAN AZZINARO

11 March 2024

Chairman Azzinaro,

Following extensive discussion and debate, The Permanent House Veterans Affairs Advisory Council recommends the following action:

HR 7330 Bill pertaining to establishing a Gold Star Spouse Day is redundant. A Gold Star Family Day is already in place. The third Sunday in October is already set aside to honor GS Families. **25-2-46. Gold Star Family Day.** On behalf of the council, we recommend this bill does not move forward.

Sincerely,

Kevin McDonnell

President, Permanent House Veterans Affairs Advisory Council
