Subject: SUPPORT - H7075 - Matt Federico Diabetic Safety Act - Glucagon

You don't often get email from mkhennes08@gmail.com. [Learn why this is important](#)

Dear Chair Donovan and members of the Committee:

My name is Mary Hennessey, and I'm writing to you today in support of House Bill 7075 and House Bill 7188.

I've been Type 1 diabetic for 35 years, and until very recently I struggled to afford glucagon for emergencies and also very rarely had others around me that were comfortable reconstituting the medication. Since a nasal spray glucagon became available and covered by my insurance, I've been able to avoid critical low blood sugars that may have otherwise landed me in the hospital or worse. Please help my community afford access to these life saving medications!

Best wishes,
Mary Hennessey
