HHHS Committee  
82 Smith Street  
Providence, RI. 02903

Dear respected members of the HHHS Committee,

I am writing to respectfully urge you to support **Bill H7537** requiring insurance companies to cover scalp cooling treatment during chemotherapy.

No patient should face the additional financial burden to preserve their hair and dignity while fighting cancer. Please stand with patients and ensure equitable access to this medically recognized supportive care. Thank you for your consideration in this very important matter.

Sincerely,

*Deana L Stoloff*
