Subject: Support for H 7537. Insurance Coverage of Scalp Cooling During Chemotherapy

You don't often get email from smith0983@verizon.net. [Learn why this is important](#)

Clerk of Health and Human Services Committee,

I am writing in support for House bill H 7537 to urge your support for legislation that would require insurance companies to cover the cost of scalp cooling for patients undergoing chemotherapy. Scalp cooling has been shown to significantly reduce hair loss, improving quality of life and emotional well-being for cancer patients.

Ensuring coverage would make this treatment accessible to all patients, not just those who can afford it out-of-pocket. Your support for this bill would make a meaningful difference for many in our community facing cancer treatment.

Thank you for considering this important issue.

Sincerely,

Teresa E. Smith
