Dear Chair Donovan and Members of the Committee,

My name is Jena Piccolo, and I am writing to express my strong support for H7940, the Health Insurance Nondiscrimination Bill. This legislation would hold health insurers accountable for discriminatory practices while strengthening and expanding protections for Rhode Islanders seeking care. Rhode Island's existing safeguards are limited and no longer reflect current needs, making this bill especially important.

At a time when healthcare protections are facing challenges at the federal level, it is critical for our state to take proactive steps to ensure access and fairness. I respectfully urge you to support this bill to better protect Rhode Islanders.

Thank you for your consideration,

Jena Piccolo
