Dear Madam Chair Donovan and all Committee Members:

Please accept this letter as my continued support for Bill 7740. I am a CRNA in this state currently practicing for over 20 years. This bill is so very important to the safety and health of our RI residents receiving care. It is not fair or safe to accept services from those not specifically instructed on airways and the care of patients under anesthesia. Please hear our cause and protect the residents of the state of RI. Thank you!
