You don't often get email from joanna.lanz@gmail.com. [Learn why this is important](#)

Please oppose House Bill 7740. As an Orthopedic Nurse practitioner functioning at one of our satellite offices of OrthoRI, I often don't have in-house physicians and require the ability to practice to the fullest extent of my license to continue to provide efficient and safe patient care for Rhode Islanders.

Best,

Joanna Lanz, MSN, APRN, FNP-BC, ONP-C
