**Subject:** Oppose Bill 7740

You don't often get email from kayleng222@gmail.com. [Learn why this is important](#)

Good evening,

As a current Nurse Practitioner student in Rhode Island, who currently works with nurse practitioners in the cardiothoracic ICU at Rhode Island Hospital, NPs MUST be able to give sedation without restrictions. Restrictions would simply be detrimental to patients on my unit and across the state. PLEASE oppose House Bill 7740. To pass this bill would be a disservice to NPs everywhere. Thank you for your time and consideration.

Kaylen Grossi  
NP Student
