Rebuild Rhode Island Tax Credit Program Approvals Since October Conference

1 Rebuild project has been approved by the Board since the October Conference

The Studley Building (Providence)

Rebuild Rhode Island Tax Credits & Sales Tax Rebates

Redemptions to the Rebuild Rhode Island tax credits are funded by a separate and dedicated escrow account that is funded annually via an appropriation. This escrow account was created to not only offset the liability created by the granting of the committed tax credits, but also provides surety to a lender or buyer of the tax credits that funds will be available for future redemptions. Both the Sales and Use Tax redemption and the net use of tax credits are funded by this escrow account. Therefore, there is no impact on state revenues associated with the Rebuild Rhode Island tax credit program beyond the annual appropriation.

As of April 18, 2022, we have certified \$34.2 million in Rebuild Tax credits and \$9.3 million in sales tax which totals up to \$43.5 million for the life of the program.

FY 2022:

Anticipating 23 total Rebuild RI Tax Credit certifications totaling \$17.6 million (22 projects have already certified)

- Anticipating 5 related Sales and Use Tax certifications totaling \$3.5 million (4 projects have already certified)

- Anticipating 7 related Sales and Use Tax certifications totaling \$13.9 million
- Combined \$35.5 million total draw on Rebuild Fund
