How much, if any, of Traffic Tribunal receivables have previously been referred to outside collection services?

4

- In researching a response to this question, the CCU has spoken to representatives of the RITT, the Supreme Court Administrator and the Supreme Court's Assistant Administrator for Finance and Budget.
- The Traffic Tribunal was established in 1999, pursuant to Rhode Island Gen. Laws Chapter 8-8.2
- The Traffic Tribunal, as currently constituted, has never retained an outside collection agency and the referrals recently made to the CCU are the first time the Traffic Tribunal has referred its debts to an outside entity for collection
- The Administrative Adjudicative Court was extinguished in 1999
- The Supreme Court's Assistant Administrator for Finance and Budget recalls that the Administrative Adjudicative Court retained an outside collection agency many years ago, but there is no documentation that can be found concerning any interactions between the Administrative Adjudicative Court and that collection agency
