

Charette High School

An Urban Planning and Historic
Preservation High School

Est. 2018

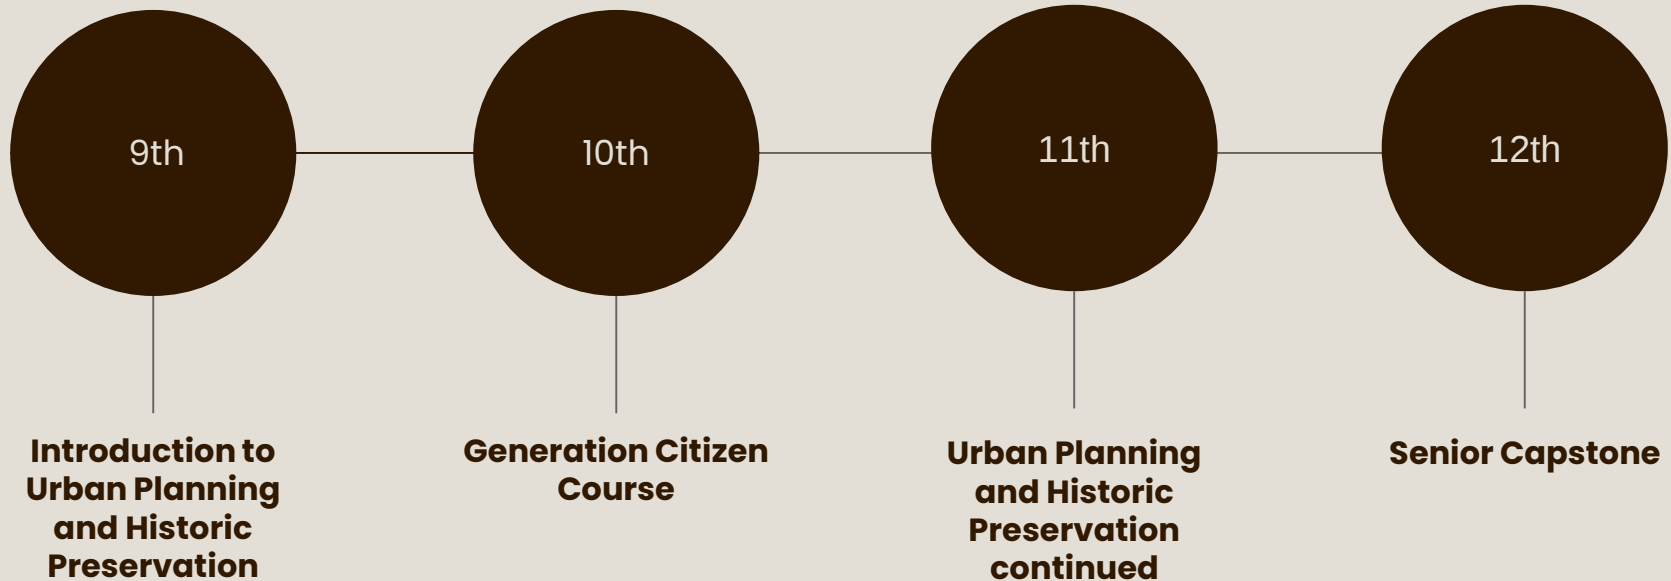

Inspiring students to create a city in which they would love to live.

About Us

Charette was designed with a unique focus on urban planning and historic preservation, inspiring students to recognize their critical role in shaping a city they love to call home. Through this theme, students actively engage with their community, cultivating critical thinking, problem-solving, and leadership skills while becoming active participants in civic life.
