To whom it may concern,

I have been working for close to 40 years at the property at 76 Industrial Lane, West Warwick.

We have experienced flooding in the past, but not at the regular occurrences that we have been getting in the last 5 – 10 years. It seems like every year it gets worse.

I and Academy Bus have spent over \$100,000.00 in repairs in the past several years for flood damage. It is an operational nightmare to move equipment and supplies when a flood is pending

It is an ongoing problem that needs to be addressed. We appreciate any plans to resolve or mitigate this urgent issue.
