

## Topics to Address

Slides 4,5,6:

- Detailed project schedule/timeline, including associated milestones

Slide 7:

- Responses to questions/concerns/assumptions provided via the Agency from the DD providers/individuals, etc. re: the rate review effort.
- Assuming you've been meeting with DD providers, what has been the general feedback?
- Assuming you've been meeting with individuals who are self-directed, what has been the general feedback?
- Assuming you've been meeting with individuals served by the various DD providers, what has been the general feedback?
- What methods, settings, format and number of sessions are being scheduled with the DD providers?
- What methods, settings, format and number of sessions are being scheduled with those who are self-directed?
- What methods, settings, format and number of sessions are being scheduled with those who are served by the various DD providers?

Slide 16:

- Example of what you'll be providing the Agency (BHDDH-DDD) as a result of the rate review. See attached "Proposed Category II Change to Global Waiver," specifically Appendix B which begins on page 17.

Proposed Category  
II Change to Global

Slide 17:

- Will your assessment address the costs associated with provider services?

Slide 18:

- How will you be providing your findings, assuming these will be publicly available?

Slides 10-15

- Summary of results to date
- What help is needed?
