Overview

The American Rescue Plan Act of 2021

The American Rescue Plan Act (ARPA) is providing fast and direct economic assistance for American workers, families, small businesses, and industries and it:

- Continues programs started by the CARES Act in 2020 and Consolidated Appropriations Act in 2021.
- Adds new phases, allocations, and guidance to address issues related to the continuation of the COVID-19 pandemic.
- Creates new programs to address continuing pandemic-related crises, and fund recovery efforts as the United States begins to emerge from the COVID-19 pandemic.
- Was passed by Congress on March 10, 2021, and signed into law on March 11, 2021.

Coronavirus State and Local Fiscal Recovery Funds Overview

ARPA created the Coronavirus State and Local Fiscal Recovery Funds (SLFRF) program to deliver \$350 billion for state, territories, municipalities, counties, and Tribal governments much needed aid.

The key objectives for SLFRF are to:

- Support the urgent COVID-19 response efforts to continue to decrease spread of the virus and bring the pandemic under control.
- Replace lost revenue for eligible recipients to strengthen support for vital public services and help retain jobs.
- Support immediate economic stabilization for households and businesses.
- Address systemic public health and economic challenges that have contributed to the inequal impact of the pandemic on certain populations.

Interim Final Rule

SLFRF is subject to the requirements and guidance specified in the Interim Final Rule, adopted on May 10, 2021. The Interim Final Rule:

- Establishes a framework for determining the types of programs and services eligible under ARPA.
- Builds on the use of eligible expenditures under the Coronavirus Relief Fund (CRF).
- Recognizes the broad range of eligible uses to help SLFRF recipients.
- Establishes certain regular reporting requirements, including requiring certain recipients to publish information regarding use of SLFRF spend.

Treasury is seeking comments on all aspects of the Interim Final Rule.

Comments are due July 16, 2021 and can be electronically submitted through the Federal eRulemaking Portal or via mail to the Treasury.
