Decrease Rhode Island Capital Plan Funds – Dunkin Donuts Center, Page 240, Line 15 by \$865,000 from \$1,500,000 to \$635,000. This amendment shifts funding to the Convention Center project due to fewer projects completed this year at the Dunkin Donuts Center.

Decrease Rhode Island Capital Plan Funds – Pastore Center Power Plant Rehab, Page 240, Line 16 by \$750,000 from \$800,000 to \$50,000. This amendment is based on projected lower spending on this project in the current fiscal year, partly due to longer lead time needed to replace the steam turbine.
