Subject: S2078 The School Libraries Act

Dear Amber Gregor,

School libraries are an extremely important aspect of learning to our children. In some cases it is the first introduction to using a library. It has the possibility to open their world to new views, lives and experiences they would not ever be exposed to. In addition it gives them a space to communicate, build relationships, and be social in a safe environment outside of the classroom. Please pass the School Libraries Act to support our children.

Sincerely,

Barbara A Kansiewicz
