Madam President, Chairwoman, and Members of the Committee, I am writing to express my strong opposition to S-2783, S-2784, and S-2787, which would significantly restrict charter school growth, governance, and access in Rhode Island. At a time when families are actively seeking more high-quality public school options, these bills would reduce education choice, limit access to successful schools, and prevent the kind of innovation our public education system desperately needs. A recent poll makes clear where Rhode Islanders stand: 88% believe families should be able to choose the type of public school that best meets their child's needs. 67% support expanding charter schools — including 83% of Hispanic voters. 58% oppose a moratorium. I respectfully urge you to oppose all three bills and preserve the ability of charter schools to grow, innovate, and serve the families who are counting on them. Best, (Name)
