Good evening,

My name is Jason Romblad, I am from Woonsocket. I am writing tonight, to voice my opposition to bill #2784. This bill would prevent current charter schools from expanding. This legislature should not be putting limits on school choice when the RI public school system is in such an abysmal state. The proficiency rate in English and Math hovers around 30%. This legislature might want to focus on fixing the RI Public schools instead of handcuffing charter schools. Please vote against this bill. Thanks you.
