You don't often get email from walshc@psdri.net. [Learn why this is important](#)

Pawtucket Schools have been adversely affected by charter schools. The money lost to fund these schools have left the Pawtucket Public Schools in a major budget deficit. As a result teachers are being terminated and repair of old buildings is delayed. This problem will only escalate if a competing, taxpayer funded school system is allowed to expand. This negatively impacts the majority of Pawtucket's students who attend the traditional public schools. Please put a stop to the Charter School Insanity!

Thank you,
Christopher Walsh
