I am writing in support of Senate Bill S2787 legislation that would put a pause on charter schools in Rhode Island from the 2026-2027 school year through the 2028-2029 school year. Many school departments are struggling with lack of funding. It only makes it worse when cities are losing funding because money is now going to charter schools.

Please back the legislation that would put a temporary pause on the addition to more charter schools.

Sincerely,  
Lynne Zarcaro
