I am a Providence teacher who dedicates their life to serving students with severe disabilities. I stay for the students, NOT THIS DISRESPECTFUL PROPOSAL!!!

NO GO ON SENATE BILL S2934

I URGE YOU TO VOTE NO!!!!

Be the voice for the teachers who have been thrown under the bus, spit up & chewed out, treated like second class citizens. We are expected to provide fine dining experiences ON GOVERNMENT RATIONS. There is enough for us to deal with, rather than fight this disgusting bill.

Be on the right side of history and protect providence teachers.

VOTE NO ON BILL S2934!!!!
