Dear Senator,

I am a proud Providence Public Schools teacher writing to urge you to vote NO on Senate Bill S2934.

Altering established salary schedules and weakening the protections surrounding the dismissal or demotion of public school teachers risks destabilizing our educational system at a critical time.

These proposed changes could undermine job security for dedicated educators, worsen existing teacher shortages, and negatively impact student achievement during Rhode Island's high-stakes transition away from state control.

Rhode Island should focus on attracting and retaining highly qualified educators by providing stability, fairness, and professional protections — not by creating pathways to reduce compensation structures or dismiss staff more easily.

Please prioritize the stability of our schools, support our educators, and oppose S2934.

Thank you for your time and public service.

Sincerely,  
Holland Landy
