To Debbie Hayden (Committee Clerk) and the RI House Members,

Hello, my name is Margaret Bauer. I am writing to testify against bill No. 2934 because I am a substitute teacher in Providence public middle schools. I oppose this bill because I have seen first-hand that when Providence teachers have workplace protections through the PTU collective bargaining agreement, there is more stability in our schools for students, teachers, and non-union staff like myself. I hope the House will consider my testimony and vote against this bill. Thank you.
