Hello,

I am writing to express my opposition to Bill S 2934. As an educator, I am concerned about the negative impact this bill could have on teachers, students, and public education in Rhode Island.

Teachers already face significant challenges in supporting students and maintaining high educational standards. This bill would create additional difficulties rather than provide meaningful solutions. I respectfully ask that you consider educators' perspectives against S 2934.

Thank you for your time and consideration.

Sincerely,
Maris DePalma
