Dear Senator,

I am writing as a Providence Public School teacher with 36 years of experience to strongly urge you to vote NO on Senate Bill S2934, *Protect Teacher Rights and School Stability*.

This bill is deeply concerning. It threatens teacher rights and undermines the stability that schools and students depend on every day. After decades in the classroom, I have seen firsthand how quickly instability can disrupt learning, weaken morale, and negatively impact student outcomes. This legislation would move us in the wrong direction.

Our educators need policies that protect their professional rights and strengthen, not destabilize, our school communities. I urge you in the strongest terms to oppose this Senate Bill 2934!

Thank you for your attention to this critical issue.

Sincerely,
Rita Loffredo
