You don't often get email from shelliroche1@gmail.com. [Learn why this is important](#)

I oppose the bill sponsored by Sen. Samuel Zurier that would treat Providence Public school teachers differently as it relates to the minimum salary schedule and the dismissal/demotion of teachers.

In addition, this bill would undermine job security by impacting the districts ability to attract qualified teachers. Further, the Providence Public Schools currently has a significant teacher shortage that would be negatively impacted by this bill if successful.

Thank you for your attention to this matter.
