Hello,

As a teacher of 34 years in Providence Public Schools, I find Bill #S2934 for be insulting and malicious. Providence public school teachers are some of the hardest working teachers in the most challenging schools in our state. This bill is unjust and inequitable.

I strongly oppose Bill #S2934 and will always oppose any bill that devalues my effort and dedication to the students and the City of Providence.

Please throw this bill in the trash where it belongs.

Sincerely,

Ty Jesso
