

Testimony in support of S2801: Solar Cost Reduction Act

Barbara Walsh, 62 Frederick Street, Warwick, RI 02888

Date of Hearing: April 15, 2026

To: Chair Sosnowski and the honorable Members of the Senate Environment and Agriculture Committee

What a wonderful bill! Finally, a look at efficiency in government performance by reducing regs in a commonsense way in order to achieve the goal – more solar – without requiring repetitive and needless duplication due to government inefficiency. Thank you Senator Valverde
