

Testimony in SUPPORT OF Senate Bill S. 2095: Highway Maintenance Account Increase for RIPTA

Dear Members of the Senate Finance Committee,

I am writing to you today to express my unwavering support for this bill that would increase funding for by allocating a larger portion of RI's Highway Maintenance Account to RIPTA.

The funding allocation is well below federal standards and this simple revision would help to create a sustainable revenue stream for a system that is a vital piece of a healthy society.

The State should be focusing its efforts on improving public transportation. Passing this bill would be a step in the right direction.

Sincerely,
Lisa Jones
