Dear Members of the Senate Finance Committee,

I am writing in support of S-2023 and S-2103, sponsored by Senate Minority Leader Jessica de la Cruz. I urge you to support these bills - ESPECIALLY S-2023. For decades I have held the view that an INDEPENDENT entity needs to exist to hold public officials accountable for the faith and trust the citizens have placed with their representatives. The IG must have enforcement power behind it, adhering to the principles of due process.

Thank you,
