**RE: Letter Regarding Senate Bill 2244 – An Act Relating to Taxation – Sales and Use Taxes – Liability and Computation**

Dear Chair DiPalma:

I am writing on behalf of the Rhode Island Department of Revenue, Division of Taxation (“Division”), to: i) express concerns regarding issues with proposed Senate Bill 2244 as currently drafted; ii) explain the background and current statutory context in order to clarify the intended and unintended consequences of this bill; and iii) make recommendations and request your support in implementing those recommendations.

This letter is not intended as a position in support of or opposition to the bill, but only as recommendations on drafting to provide clarity in the bill and to aid tax administration and compliance.

As you know, this bill would amend R.I. Gen. Laws § 44-18-30, entitled “Gross receipts exempt from sales and use taxes,” to add “behind-the-meter batteries interconnected with a solar photovoltaic system” to the renewable energy products exemption. The bill’s effective date is upon passage.

The Division is concerned that the bill’s wording is overly broad, uses undefined terms, may cause confusion and ambiguity, and result in unintended consequences. Additionally, the State of Rhode Island Division of Taxation is a signatory to the Streamlined Sales and Use Tax Agreement (“SSUTA”) pursuant to R.I. Gen. Laws § 44-18.1-1. The SSUTA mandates that a member state must comply with its numerous terms, including consistent definitions and notification requirements. As such, the Division recommends an effective date of October 1, 2026, to allow for reasonable notice under the SSUTA and to ensure proper implementation of the change for all stakeholders.

The Division takes no position with respect to the remainder of the proposed legislation. Rather, the Division is concerned solely with the issues of clarity, tax compliance, and tax administration. As such, the Division respectfully suggests that the bill be redrafted for clarity.

I look forward to working with you to address the issues raised in this letter and appreciate your consideration.

Very truly yours,

Neena S. Savage  
Tax Administrator
