Dear Senator DiPalma,

I am writing to express my support for **S.2672**, which provides meaningful, broad-based tax relief to Rhode Island residents.

This legislation takes an important step toward strengthening our state's economic competitiveness. By improving our tax structure, Rhode Island is better positioned to retain residents, attract new talent, and remain competitive with neighboring states like Massachusetts.

Just as importantly, this bill delivers real savings to individuals and families—putting money back into household budgets and supporting local economic activity across our communities.

A more competitive and growth-oriented tax environment benefits everyone. When individuals and businesses choose to stay and grow here, it leads to stronger job creation and increased long-term revenue for the state.

I respectfully urge you to support S.2672.

Thank you for your consideration and your service to Rhode Island.

Sincerely,
Jaclyn Leibl-Cote
