Subject: Support for S2833

You don't often get email from matt.letendre@gmail.com. [Learn why this is important](#)

Hi there,

I strongly support S2833, the Rhode Island Local Investment Tax Credit Act. This bill empowers everyday Rhode Islanders to invest directly in local small businesses, helping keep wealth, jobs, and opportunity in our communities. By encouraging local investment and expanding access to capital for small businesses and entrepreneurs, S2833 will strengthen Rhode Island's economy from the ground up.

Thanks,
Matt Letendre
