

Good evening,

My name is Jason Romblad, I am a lifelong unaffiliated voter from Woonsocket. I am writing to voice my opposition to bill #3013 which will increase RI vehicle & motorcycle inspections by \$10 and allocate that money to RIPTA. This legislature continues to tax & spend with no regard to the RI taxpayer.

Stop borrowing money via bonds, which costs the taxpayers in RI, hundreds of millions in wasted dollars, and you can afford not to raise the vehicle inspection fees. Please vote against this bill.

Thank you,  
Jason Romblad
