Dear Chair Murray and Honorable Senate Committee Members,

I am writing to request your support for the listed Senate bills being heard by your committee this week.

I worked in several RI assisted living and nursing home facilities early in my career as a Speech-Language Pathologist.

Now that my 90 year old mother is in assisted living, I am even more aware of the need for the protections these bills address.

I urge you to support all four Senate bills to help protect our ever growing aging population in RI.

Thank you for your attention and concern.
