Chair, Committee on Municipal Government and Housing

March 5, 2026

Chair Bissaillon and Members of the Committee on Housing and Municipal Government,

I am writing regarding Senate Bill 2073, which would exempt from taxation the real and tangible personal property of Community MusicWorks located in the City of Providence. I have introduced a City Council resolution, No. 52242, supportive of an exemption for Community MusicWorks, which will soon be scheduled for a committee hearing and vote.

The remarkable teaching, mentorship, and performances by the musicians of the MusicWorks Collective and the general programming provided by the organization will be bolstered by a reduced tax burden, allowing them to continue their immensely positive contributions to my ward and throughout Providence.

Sincerely,

Rachel M. Miller
