You don't often get email from ninjanurse9@cox.net. [Learn why this is important](#)

Please vote to strengthen our warming and cooling centers during weather emergencies and improve notification so that people at risk will know where help can be found. I have been volunteering with Project NOD, (No One Dies) and meeting the people who are unsheltered. We need adequate, permanent housing, but as we work on that, people need to be safe from extreme cold and heat.

Thank you for your attention,
