

Testimony on Senate Resolution 2132
Joint Resolution To Approve and Publish and Submit to the Electors a Proposition of
Amendment to the Constitution – Of Suffrage

February 26, 2026

Chairman LaMountain and members of the Judiciary Committee:

My name is Zachary and I am a resident of Johnston. I am writing to you today in strong support of Senate Resolution 2132.

I know firsthand how fast a person's life can change, especially for an individual living with a disability. Whether it involves a family crisis, a new job opportunity, or sudden financial hardship, no one should lose their voice in our democracy because of their circumstances.

Every individual deserves their right to vote, yet the current 30-day residency barrier prevents some citizens from doing so.

What can you do today? You can ensure that every Rhode Islander, regardless of their struggles, has the freedom to feel wanted and needed in our entire state.

I urge your support and passage of Senate Resolution 2132 so that every citizen knows what it truly feels like to represent their democracy as a full member of our society.

I thank you for your time, your consideration.
