Re: Support of Senate Bill 2133

Dear Chairman LaMountain and Members of the Senate Committee on the Judiciary,

As Election Administrator for the City of Newport and on behalf of the Newport Canvassing Authority, I am writing to strongly encourage you to **support passage of Senate Bill 2133**, which was introduced on behalf of the Secretary of State and has the support of the State Board of Elections and the RI Town & City Clerks Association. This bill addresses a number of updates to election administration that would help both voters, candidates and election officials.

It would move the date of the statewide primary from eight Tuesdays before the general election to the ninth Tuesday before the general. This is a proactive move because Rhode Island's current date leaves a very short window between the primary and a federally-required deadline to produce and mail general election ballots to military and overseas voters 45 days before the general election. Currently, if we had a recount or another issue that delays final certification of the primary, we would miss that federally-required deadline and would open Rhode Island up to a lawsuit from the Justice Department, who would force us to make this change.

Senate Bill 2133 would move deadlines tied in law to the primary and general election dates to account for changing the date of the primary and provide more time for the collection of signatures on nomination papers. It also addresses what to do when certain key election deadlines fall on holidays.

The Newport Canvassing Authority urges you to support passage of Senate Bill 2133 and thanks you for your consideration of this important legislation.

Respectfully submitted,

Hugh Moren
Election Administrator
