

**Testimony on Senate Bill 2341**  
**An Act Relating To Elections -- Mail Ballots**

February 26, 2026

Chairman LaMountain and members of the committee:

My name is Zachary Gauthier. I am submitting this written testimony as a private citizen and a disability rights advocate.

I am writing to express my strong support for Senate Bill 2341.

Accessibility is a fundamental civil right, and Senate Bill 2341 is a critical step toward ensuring that right is protected. By allowing disabled voters to utilize electronically transmitted ballots, this legislation ensures that every citizen can exercise their right to vote independently and safely. Removing the physical barriers to the polls is essential for a truly inclusive democracy where every voice can be heard.

I urge your support and passage of Senate Bill 2341.

Thank you for your consideration.
