RE: Support - S3143

Dear Chairman LaMountain,

My name is *Amanda Rowley* and I am a resident of *Cranston, RI 02905*. I am writing to express my strong support of S3143.

I am in support of S3143 because I am afraid of the national attacks against voting rights and Trumps interest in stealing the 2026/28 elections. We are at a tipping point in our democracy and by safeguarding elections, we can ensure that all of us have a say in our futures. Voting is a fundamental right in a democracy and republicans want to strip it from us-specifially women. Look at the absurd SAVE act and what that would do to women and trans people in this country. Rhode Island needs to take a stand for its people.

I am a teacher and I work with English language learners. We need to protect their access to voting by providing language access. Everyone has a right to understand the voting process. I hope the Senate Judiciary Committee will pass S3143.

Thank you for your consideration.

Amanda Rowley
