RE: Support of **Senate Bill S3143**

Honorable Chair LaMountain and members of the Senate Judiciary Committee:

I live and work in Providence, District 28, represented by Sen. Vargas. I am writing to express my strong support of the Rhode Island Voting Rights Act (S3143). It will protect voting rights for all Rhode Islanders, clearly support minority rights for all groups and impose penalties for those interfering in elections. Federal protections have been eroded significantly since the original federal legislation in 1965. The current administration clearly intends to further limit voting. This is not a partisan issue; this is an American issue. Please act to protect my rights and the rights of my neighbors and uphold the Constitution. This bill is fundamental for protecting the processes by which we make decisions as citizens. To put it in the parlance of our time, if we do not fiercely protect the right to vote for all, "we're cooked."

Respectfully,

Ariana L. Wohl
