Honorable Chairman LaMountain and members of the RI Senate Judiciary Committee,

My name is Beth Paul Milham. and I am a long-time resident of Newport, RI.

I strongly urge you to vote S3143 out of committee and on to the full Senate as quickly as possible. I have watched with dismay as the US Supreme Court has for years gradually chipped away at the Voting Rights Act of 1965, and I have watched other states revise their voting rights laws to deny rights to whole classes of people. I have also listened to the president's intentions to weaken protections in order to preserve power for his adherents in his party. We cannot allow that to happen in Rhode island.

Please do not delay in passing S3143. There may be no more important bill before you this year!

Thanks you for your consideration.
