My name is Bonnie Cooper . I live in Providence and am a Rhode Island resident.

I strongly urge the Judiciary Committee to recommend this bill and the Senate pass the Rhode Island Voting Acts Bill.

I am a woman in my eighties and have never been as concerned with voting rights as I am now with our current administration clearly planning to restrict those rights. In the end the right to vote for all is the most basic cornerstone of our democracy. Please pass this bill to show that you stand with the rights of all without prejudice to vote!

Sincerely,  
Bonnie Cooper
