Dear Committee Chair LaMountain and Committee Members,

I believe passionately in ensuring that every eligible citizen of Rhode Island has access to voting. I work at the polls in Middletown during early voting and on election day to help make this possible.

I am writing to express my strong support of the RI Voting Rights Act (S3143). We must ensure that voting rights are protected for Rhode Islanders, no matter what legislation is passed at the federal level.

Please recommend passage of this bill and urge the full Senate to pass RI Voting Rights Act this session.

Thank you for serving and protecting our democracy.

Sincerely,
Cheryl Hatch
Middletown
