Dear Senators,

Thank you to Senators Sosnowski and Gu for co-sponsoring the Rhode Island Voting Rights Act bill.

More now than ever, it is imperative that the Constitutional rights of all US citizens be protected. Our nation was founded 250 years ago to free us from the tyranny of a monarchy. I have proudly voted in every election since I was first eligible in 1972, and am strongly concerned that my great-nieces and great-nephews will not be able to exercise the same right I have enjoyed as an American citizen.

Thank you for your support.

Very respectfully
