Dear Committee Chair LaMountain and Committee Members,

My name is Dianna Odell (Portsmouth, RI resident) and I am writing to express my strong support of the RI Voting Rights Act (S3143). Please support the passage of this bill. We need to make it easier for Americans to vote not tougher. Every American who is eligible to vote deserves to have their voice heard. Voter fraud is a less than 1% occurrence and not as reason to make people (especially married women who took their husbands name) jump through hoops and spend money to obtain documents (essentially a poll tax). This is not a partisan issue; this is an American issue. Please act to protect my rights and the rights of my neighbors and uphold the Constitution.

Thank you,

Dianna Odell
