Dear Chairman LaMountain,

My name is Emily Grady and I am a resident of Cranston, RI. I am writing to express my strong support of S3143.

It has become very clear that the current federal administration is interested in taking voting rights away from some Americans rather than keeping those rights in place for all citizens. This is an incredibly un-American stance, and Rhode Island needs to solidify these rights for all RI citizens.

I sincerely hope the Senate Judiciary Committee will pass S3143.

Thank you for your consideration.

Emily Grady
